EXALTED RULER'S MESSAGE

I hope you've had a great summer season. I know a lot of you have been out of town (a lot), or on vacation, with all of your extended family and friends. What a great time of year, but get ready, the fall season is here and the cooler weather is right around the corner.

The Major Projects are doing good and your contributions help a great deal. To date, we have raised over \$9,000. Please dig deep into your wallet and support the Purple Pig, so the children can Walk, Talk, See and Play.

If you didn't attend the end of summer Tri-Tip dinner put on by our own Ron Domingos, you missed a great event and, of course, you missed his Santa Maria BBQ. The food was great and everyone had a great time dancing to the music by DJ Henry.

Get ready for our district event to help the homeless veterans, "Vetstock II," which is a takeoff on the hippy days and the happening at Woodstock. This year's event is held here at Sac 6 on Saturday, October 14. There will be BBQ buffet, live music, dancing, a silent auction and drawings. Put this on your calendar, all for a donation of \$25/per person. All of the proceeds benefit the VA Northern California Health Care System for Veterans, especially for homeless veterans.

We planned for a good turnout at our Town Hall meeting held last month and we are expecting a good dialogue between our membership and officer corps. We, as a lodge, will face many very serious challenges in the next three years. The office of Exalted Ruler comes without a business plan for success, and many things have changed in the past 12 months, so that leaves it up to us to create that plan, taking into account all the new circumstances we face. Before I took office, the officer corps met and created a 3-year business plan. We've accomplished a lot already and are working toward the future goals and objectives. Some of these goals and objectives are not pretty, since it deals with filling our empty officer corps, increasing volunteerism, increasing our membership and cutting our overall expenses. We must achieve success in these four areas, to

FROM THE LEADING KNIGHT

The chair of charity

First of all, a huge thank you goes out to all of you who supported the Summer BBQ Wednesday Night Dinners. This year was successful and a lot of fun. Also a special thank you to all of you who steadfastly showed up to have lots of fun, laughing and smiling while preparing a fantastic meal. And a special thank you to Charles Holdredge and Pam for running the Trivia Contest. Everyone had so much fun. Some of your fellow Lodge members are a lot smarter than you think and definitely smarter than they look or act. We are looking forward to the contests at other WNDs.

We also owe a gigantic thank you and show of support for our ER Dave and First Lady Patty for their amazing effort to put on the Sacramento #6 Hawaiian Luau. It was fantastic. Thank you Dave and Patty!

Our ER Dave has planned some awesome events to get your involvement and ideas. We need your assistance to keep the Lodge moving forward. Please read your emails and notices around the Lodge for Town Halls and other events to learn ways to help out and share your ideas. We are still working to fill the Leading Knight chair. If you're interested just let us know. Also there are a lot of upcoming events, so place them on your calendar. We are looking forward to seeing you there.

CHAPLAIN'S PRAYER CORNER

It's now officially autumn and we are all glad the dog days of the long and hot summer are behind us. We will miss the many hours of daylight, but we are all glad to say goodbye to the heat. We will miss our friends of summer and the many hours we shared. Now it is autumn, a season that we can enjoy in a different manner. Just as we enjoy our many friends for the many reasons we have. As we enjoy the

FROM THE PM CREW

In our last article, we provided an overview of the PM Crew, including all of the activities that we do. This month I'll focus on the athletic department, which consists of many activities — pool, spa, weight room, handball courts, showers, restrooms, sauna, etc. We have volunteers who maintain the pool and spa daily (testing the water, adding chemicals, monitoring the water level, cleaning, etc.), and the county of Sacramento also inspects them for compliance. The pool heater and solar system requires maintenance and repair, which is also performed by our volunteers. They completely replaced the solar system a few years ago and did an awesome job! Then there are the bathrooms that need attention when pipes break, leaks occur, toilets don't work and the list goes on. And we also clean the vents. The weight room has some new equipment and newly cleaned rug; however, we still repair the treadmills as needed. The handball courts also require some maintenance, but that's mostly electrical, and due to the age of our facility, a lot of electrical maintenance is needed. Fortunately we have great electricians.

As always, we can use more help to keep the Lodge maintenance and upkeep in good condition. If you would like to volunteer, please call the lodge office at 422-6666; contact anyone on the crew directly, or myself at 422-3372 or rayrose3@aol.com. We look forward to hearing from you.

~ Ray Nielsen, Chair PM Crew

remain relevant as a Lodge. Don't blow this off and think that somehow these problems will fix themselves. These issues must be addressed by YOU. It's not something that your officers can fix by themselves, so don't look at your officers and think that they will somehow get this done. It takes YOU to actively jump in and help. Without YOU helping, we can't and won't remain relevant. Together we can keep Sacramento #6 moving forward.

I hope you were able to get your tickets for the North Central District Talent Show on September 23. As of press time, the event had not yet happened, but it's always a blast and an awesome fundraiser for the NCD.

Trustee Kelly Byam and Debra Morrison are putting on a down home Hoedown Country Dinner and Dance on November 18, with social hour beginning at 5:30pm, they even have a line-dancing instructor. Now that will be loads of fun.

Karen and Rudy Del Real have their plans in place for the upcoming 2017-2018 New Year's Eve Dinner/Dance with music and dancing by Latin Touch and a DJ — there will be old-style ballroom, swing and dancing for all ages.

Come out and support our events, have some fun, make new friendships, laugh with new and old friends and be an active part of our Sac #6 ohana (family).

Take Care and Aloha!

Autumn Prayer

God of all seasons, we thank you for Autumn.

We thank you for the touch of coolness in the air that gives us a new burst of energy,

for the coloring of trees that shows the creativity of the Divine Artist,

for the falling leaves that reveal the strength of the branches,

for the hues of fields that bring peace to our souls,

for the smiles on pumpkins that bring joy to children,

for the fall harvest which that brings us gratitude for the bounty of our land,

for this change of seasons that reveals the circle of life.

God of all seasons, as you transform the earth, transform us by your Spirit. Amen

— Doug Leonhardt, S.J.

THE TILER

I have always wondered why the person
who guards the Lodge door during Lodge
meetings is called a "tiler." I was never
able to find the answer in my research,
but I mentioned this to a friend and she
learned that it has to do with Masonic Lodges. Here is an
excerpt from *Masonicdictionary.com*:

Also spelled "tyler." In the Latin *tegere* (from which came
"thatch") meant cover, roof; *tegulae* were the tiles, pieces,
slabs, used for roof-coverings. A tiler, therefore, is one who
makes, or fastens on, tiles. Since in Operative Masonry the
tiler was the workman who closed the building in, and hid
its interior from outside view, the guardian of the entrance to
the Lodge was figuratively called by this name. It was once
supposed that "tiler" came from the French *tailleur*, a cutter,
a hewer (from whence we have "tailor"), and it was accord-
ingly spelled "tyler;" that, however, is incorrect, "tiler" being
the correct spelling.

Do you know who our current Lodge "Tiler" is? (see page
2) ~ Carol L. Armstrong, Audit Committee

GOLF (cont. from page 3)

(C), and for Hole #14, honors went to Dick Jones, 24'0"
(A); Joe Ignoffo, 17'3" (B) and Ray Thielen, 19'0" (C).

Due to the extreme heat, the Powder Puff Tournament
scheduled for August 30 at Bing Maloney was cancelled.

Attention all Elk's golfers! It's time to start working on
your game. Come and join the Elks Golf Club! It's only \$15
to join and we usually play twice a month and are very well
organized with small prizes. So
come join our friendly group of
50 to 60 other Elks members
and enjoy the great game of golf.

YOUR PAST EXALTED RULERS ASSOC

We might remember the old quote of how old soldiers just fade away. So, too, you may wonder about Past Exalted Rulers (PERs) whose portraits hang in the Lodge foyer. Actually, Past Exalted Rulers staff the Bulletin, serve at Sunday Breakfast, work with the Preventative Maintenance Crew, host fundraising events for the Elks National Foundation and Special Projects and even serve at the BPOE District and State levels. PERs have also been known to return and assume additional terms as Lodge Secretary or committee members. BPOE Statutes state in part, “The Lodge shall have a Past Exalted Rulers Association or Advisory Committee which shall consist of all Past Exalted Rulers of the Lodge, which shall advise with and extend its counsel to all Lodge Officers and Committees.” Therefore, their primary function is advisory and counsel. The PERs meet quarterly and copies of the meeting minutes are filed with the Lodge Secretary. Because the PERs strive to pursue the best interests of the Lodge, they are always open and welcome your comments and suggestions. The current PERs Association President is Past District Deputy Grand Exalted Ruler and CHEA Trustee Jerry Landreth-Brusato.
