

3rd Annual VETSTOCK

A COMMUNITY STANDING UP TO END HOMELESSNESS FOR VETERANS!

Mark your calendar for Saturday, October 13, 2018. Doors open at 5:00pm at Sacramento Elks Lodge on 6446 Riverside Blvd for an evening of fabulous people enjoying Great BBQ, Live Rock-n-Roll, Silent Auction and chances to win great prizes. A fun evening of community members coming together to make a difference in the lives of our Veterans! 100% of the proceeds will help provide rental application fees, deposits, beds and other household items for Veterans who seek to end their homeless status.

SEND A MESSAGE TO OUR VETERANS that you want to help!

The 2nd annual VETSTOCK raised \$18,000 and in 2018 we are aiming for \$25,000, but we need your help! Meeting this year's goal will enable us to continue to fund accommodations for homeless Veterans, including those with children, until our social work team arranges for transitional housing under our largest program to end homeless Veterans; HUD-VASH.

Last year's success was due to generous donors and sponsors. We want to increase the number of table sponsors, raffle and silent auction items to reach our goal. We are seeking donations of weekend get-aways; gift certificates to restaurants, theatres, businesses, sporting event tickets, pieces of art, gift cards and more.

We invite you to partner with us as we work toward ending homelessness for our Veterans. This event has enabled us to help more than 100 Veterans. Please consider the type of support you can offer and complete the attached donation form and return it with your check, money order or auction item to:
