

Elks #6 Fundraiser

On July 24th our new office assistant Priscilla, was involved in a motor vehicle accident.

She was severely burned and has multiple injuries - including a broken spine.

Thanks to angel bystanders she is still alive. However, she is on a very long road to recovery and is still hospitalized and will be for some time. Her youngest child just started high school and there are many household bills and medical bills that the family is incurring. Please consider donating to help Priscilla and her family at this very difficult and stressful time. Below is the link to her Go Fund Me Page.

Let's show her that Elks Care and Elks Share!
